APPROVED EXTERIOR STORM DOORS

Effective: September 20, 2012

Updated: January 16, 2020

The following list represents a **comprehensive listing** of Exterior Storm Doors which have been approved by the West Fork Village Home Owners Association Executive Board. No other brands, models, colors or variations of Exterior Storm Doors are permitted to be installed in West Fork Village. **No exceptions whatsoever will be made regarding this comprehensive listing.** Proper installation of any Exterior Storm Door is the sole responsibility of the unit owner.

It is required that you receive written permission from the Architectural Committee or the Executive Board **before** hanging a door. If you hang a door without written permission and it is not an approved door, color, etc. then the Executive Board may require it to be removed.
